About the Author

A little about Nancy...

A true romantic at heart, Nancy Corrigan is convinced there's a knight in shining armor for every woman (or man), but you won't find damsels in distress in her stories. She adores pairing alpha heroes with women strong enough to match them and bring them to their knees. She also enjoys flipping the traditional roles in romances because her motto is--love and people should never be forced to conform to anyone's norm.

She holds a degree in chemistry and has worked in research but now focuses on ensuring quality. She considers it the perfect outlet for her as she's the first to admit she has some OCD tendencies. It carries over into her writing life too. While engrossed in a novel, she has a habit of forgetting to eat and sleep. Fortunately, she's married to her own knight in shining armor who understands her oddities and loves her anyway. They reside in Pennsylvania with their three children, dog, snake and guinea pigs. Her other interests include tattoos, animals, classic cars and all things spooky and sexy.

BEAUTIFUL MISTAKE: A MULTIPLE SHIFTER PARANORMAL ROMANCE (ROYAL SHIFTERS BOOK 2) BY NANCY CORRIGAN PDF

A tortured man...A fearless woman...A mistake that'll change their lives forever.

Three centuries ago, Devin Moore sacrificed his sanity to save his sister. Every day since is spent in a constant battle of wills with the three crazed cats--lion, tiger and jaguar--he houses. Keeping his shattered mind together has taken its toll, destroying any hope of having a family, but he can't turn his back on innocents in need.

When information on his pride's missing child reaches him, he rushes to bring her home. But the rescue mission goes horribly wrong. Lena, the human female who turns herself into bait in order to protect the little girl, is wounded and struggling to survive.

In a desperate act, he saves Lena. But it doesn't erase his past mistakes. And for a broken man who's finally offered hope, there's only one thing left to do--prove his worth. The only problem? He'll never be whole. Or sane. But maybe...just maybe...even the damned can find peace.

Enjoyed more than the 1st

By cgwin

4 Stars – 3 Flames

Since this book has been revised, I'd like to point out that you shouldn't base your purchase solely on the "old" versions reviews. All I can say is that I didn't see some of the issues that were brought up. In fact, I thought that this was really well written. I might even go as far as to say that I liked this one more than the first, which is unusual for me.

What a tortured soul Devin is. We got to see a little glimpse into the type of person he is in the first installment, Treasured Find, but now we REALLY get to know him and why he's the way he is. I don't even know if the word "tortured" is accurate enough. This poor man is...lost, at least until he meets and saves

Lena.

Lena is running. Running from shifters she was told were out to do evil things to her adopted sister. Now that her family has been murdered, she's the only one that can protect her. So what does she do? She sacrifices herself, throwing everyone off the trail, to give her sister a chance. Too bad that sacrifice almost cost her her life, at the very hands of one who saved her. But why is she so drawn to her capturer? It's like there's something binding them together, but she just can't put her finger on it.

This read is JAM PACKED with nothing but awesomeness. From the first chapter you'll be drawn into this shifter world and you won't be able to stop herself from staying up all night to see what happens next.

Speaking of next...I'm really excited to read the next one. Mira deserves happiest too, just like her twin.

The broken Royal

By Karli

This is the second book in the Royal Shifters series and a full length, complex standalone. As in book one, a cub is missing, and Devin, liaison to Shifter Affairs, is part of the recovery team that has been tipped to her location. When they reach the site, however, another shifter group is already there. In the skirmish that follows, Devin follows a human female and accidentally injures her trying to protect her. To save her life, he begins the mating bond. Only then does he realize she is not just his mate, but is his true mate.

Lena has made a promise to protect five-year-old shifter, Molly, with her life. When they are betrayed by Shifter Affairs and her parents are murdered in front of her, she acts as bait, leading the attackers away from their home so her sister, Gwen, can get Molly to safety. But as Lena attempts to evade capture, she is accidentally mauled by a lion that attacks the killers. When she awakens, she finds she's in the bed of a man set on telling her what to do. But Lena is nothing if not the very definition of stubborn. Which, it seems, only makes the Royal shifter even more intractable. Or is that just how all kitties treat their mates?

By Misty Jean Roule

The mystical world of shifters brought to you by a very talented author. Devin and Lena's story will send you on an incredible ride. Is there a possibility of a happy ending for Devin even though his crazed past and guilt have left him thinking he's unworthy? Will Lena consider a relationship much less a commitment for eternity after her disappointments in the past?

Happy reading :)
