Bonded By Rosalie Tarr. Negotiating with reviewing routine is no demand. Checking out Bonded By Rosalie Tarr is not kind of something sold that you could take or otherwise. It is a thing that will alter your life to life much better. It is things that will make you lots of things worldwide and this universe, in the real life and also below after. As exactly what will be given by this Bonded By Rosalie Tarr, how can you negotiate with things that has numerous advantages for you?

This *Bonded By Rosalie Tarr* is very correct for you as novice viewers. The viewers will always begin their reading behavior with the preferred style. They may rule out the writer as well as author that create the book. This is why, this book Bonded By Rosalie Tarr is really right to read. However, the principle that is given up this book Bonded By Rosalie Tarr will show you lots of things. You can begin to like also checking out until completion of the book Bonded By Rosalie Tarr.

On top of that, we will discuss you the book Bonded By Rosalie Tarr in soft documents types. It will certainly not disrupt you to make heavy of you bag. You require only computer system device or device. The web link that our company offer in this site is offered to click and afterwards download this Bonded By Rosalie Tarr You recognize, having soft file of a book [Bonded By Rosalie Tarr](#) to be in your device could make ease the users. So by doing this, be a great visitor currently!

BONDED BY ROSALIE TARR PDF

Alec Whitehall is old-fashioned—literally. Approaching his 123rd birthday, the steely vampire has nothing better to do with his time except to investigate and hunt murderous vampires as a means of regaining some sense of his withering humanity. While trailing his current case in Pittsburgh, Pennsylvania, the last thing that Alec expects to find is his bonded mate—an unwelcome distraction, he's sure of it. But that's exactly what happens, and he's shocked to realize that his mate is a young attractive man named Aidan Copperfield.

How do two straight men deny an attraction that they have absolutely no power over? As their stony resolve begins to crumble and they start to succumb to the fiery magnetism between them, a sadistic killer continues to roam the city streets at night, narrowing his sights on the newly bonded couple.

Vampires! Hot! Killers!

By Paul Berry

The supernatural novel Bonded by Rosalie Tarr!!!!

Alec is an old fashioned vampire and now he is approaching his 123rd birthday. His main function now is hunting murderous vampires to help regain some sense of the decline of the human race. Aidan is a young and beautiful man who meets Alec who turns out to be his bonded mate which comes as a complete surprise to Alec. Both men appear to be straight and they're trying to deal with their attraction to each other which is very new for them. Now that they are coming to terms with their hot newly connection, a serial killer has now set his sights on the couple.

I enjoyed how the characters tried to fight their attraction to each other and it also comes down to some supernatural powers that might be pulling them together. I was riveted to the story mainly by the great writing of beautiful dialogue and how the author snuck in some great humour. The character of Aidan was so interesting to read as he was human, straight and had a girlfriend which brought on some internal conflicts with what he feels for Alec.

The only issue I had and it wasn't a bad one was at times the story was too neatly tied up and written and needed some edge but by all means it does not ruin the story. If you like reading about vampires, supernatural characters, serial killers, funny friends than Bonded by Rosalie Tarr is the book for you.

"Complimentary copy provided by author/publisher for an honest review."

light and easy m/m romance

By Jeannie Zelos

Bonded, Rosalie Tarr

Review from Jeannie Zelos Book reviews.

Vampires, romance – I'm in....:) This was a decent read, not earth shattering, nothing too deep but a good way to lose a couple of hours.

Alec was just how his friend Portia described him, kind of lost, didn't really know what to do with himself, a bit sad in a way that he was trying to keep his sense of worth by tracking and killing murderous vampires. Portia's a great friend, and so funny at times. She knew just what he needed, but what neither of them thought that would be was a male bond mate! It took straight guy Alec some time to get used to the idea, he thought he could just leave, ignore the call etc. but the pull of attraction was too great and he had to give in and accept it.

Of course there's the problem of Aiden. He's a) human b) straight and c) has a girlfriend. A lot for Alec to deal with before they can be bonded. Alec is trying to stay away, and yet keeps bumping into Aiden, Aiden feels the same pull though of course he's no idea why, and finds himself talking to Alec, inviting him home and not wanting his girlfriend. Then to add to all that dilemma there's the murderous vampire Lucius who Alec was tracing, who could prove dangerous to both Alec and Aiden.

It's a sweet read, funny in parts, and interesting in the whole straight men attracted to each other conundrum. We're brought up to accept the norm and for most that's typical m/f pairings, so diverging from that means getting to see the downsides, such as other people's reactions and also changing our own mindset. It's priced at £4.94 for 166 pages. As a one off read that's quite expensive, but if you like light and easy to read paranormal maybe it's one you'd re read that would make it better value.

Stars: three. Fun, easy read but a one off only.

Not the usual vampire story.

By HisBabes

Don't expect brooding, tragic haunting vampires here. Alec is a nice vampire that keeps his humanity by protecting humans from murderous vampires.

The beginning is slow but well written and I enjoyed his struggle with accepting his bonded mate when he realized it was a man. There wasn't any homophobia here but feelings I'd expect from anyone who suddenly found themselves attracted to someone of the same sex.

The villain is the usual bad vampire so nothing really exciting. The violence while explicit isn't overwhelming and over quickly.

My real problem with the story is the quick acceptance of two straight men being in a homosexual relationship. Yes, it's 'fate' creating the mate bond and they both fight it in the beginning but then quickly get over it and everything is fine. The sex didn't seem realistic considering the story. I'd expect fumbling, insecurity and some timidity about handling the dangly bits. There is none, frothing, first time oral sex and then anal WITHOUT LUBE with no doubts or hesitation. These are two 'Gay For You' men, essentially virgins that not only know what to do but do it well.

Yes, it's a paranormal vampire story so I shouldn't expect anything realistic but when it comes to GFY butt virgins I like the fumbling, hesitation and figuring things out.

All in all it was an enjoyable read and I give it three stars.
