If you collect or use semi-vintage Coleman lanterns you want ...

By Sharon L. Buman

If you collect or use semi-vintage Coleman lanterns you want this book. So much of the information was new to me even after 40 years of using them. The information on fuels other than Coleman-brand naphtha (white gas) is worth many times the price alone. Now if he would just expand his writing to include Coleman stoves.....

1 of 1 people found the following review helpful.

Great informative book.. a must read..

By DOUG FLEUETTE

Very informative book about coleman lanterns. Great descriptions.. simple terminology that is easily

described. A must read for the new collector..
