Download the first five chapters of BROKEN HEARTS, FENCES, AND OTHER THINGS TO MEND, the first book in the Broken Hearts and Revenge series by Katie Finn.

Gemma had her summer all planned out, but it takes a sharp turn when she gets dumped and finds herself back in the Hamptons after a five-year absence.

Being there puts her at risk of bumping into Hallie, her former best friend (that is, before Gemma ruined her life). But people don't hold grudges forever. Do they?

Gemma intends on making amends, but a small case of mistaken identity causes the people she knew years ago—including Hallie and her dreamy brother Josh—to believe she's someone else. As though the summer wasn't complicated enough already.

Can Gemma keep up the charade? Or will she be found out by the very people she'd been hiding from?

It is a awesome book

By Jose G. Cisneros

I chose this rating because it was really good and lobed the details.

What I liked about this book, was that it had lots of details. What I disliked was that it didn't say enough about Josh and should of included more details about him and Gemme.

Great book to read!

By Abigail Neal

I enjoyed reading this book. This book would be very good read for teens or young adults. Would like to read the rest of the book.

Cute story, great authentic voice!

By great greenroom

I read the first five chapters, made available by Amazon and loved it. Plan on purchasing for our library. Fabulous summer read!
