Just what I was looking for!

By N. Flohr

I knew I was missing something and this book helped me so much. As I have already started my Wednesday Night Bible Club, I am slowly adding some things as I go...although to some the ideas may be old-fashioned, the positivity (can I use that word?) of the message is ageless. Ideas are practical and can be made based on the instructions given. I teach children K-5th Grade and I can adjust the games for age group.
