It feels wrong to laugh. But.

By STOLLARZ

I think I expected much more from this book. It did not flow, it was as if jumbled thoughts were just put down on paper. Some of the chapters were good, but the others were rather random....It was not a " WOW " factor for me. Sorry read better Autobiography's.

Great read

By Love

I love everything about the book. I finished it one day, I just couldn't put down. I feel Anele was very real and honest when she wrote the book.
