JACK LOVES CALLIE TENDER (A SOUTHERN COUSINS MYSTERY PREQUEL, COMPANION GUIDE AND COOKBOOK) BY PEGGY WEBB PDF

Elvis is back—and he’s giving the lowdown on how his human parents met and got hitched. In this prequel to the popular Southern Cousins Mysteries, the canine sleuth and Mooreville’s suspicious minds (Lovie, Ruby Nell and Fayrene) tell how they saved Jack and Callie’s wedding. This novella also includes a Companion Guide to the Southern Cousins Mystery series, as well as bonus recipes from Lovie’s Luscious Eats.

“(Southern Cousins Mysteries) Zany characters combine with a witty plot in a cozy sure to please series fans and attract new ones.” Publishers Weekly, (Oct.) 2011

“This crazy romp has everything: stilettos, chocolate, a sexy bad-boy not-quite-ex, even recipes for an Elvis favorite, with all the sugar and sass of a pecan bourbon ball. Grab your funeral fan and visit a spell.” Cathy Pickens, Author

“It’s good to have Peggy Webb back doing what she does best—making us laugh out loud while enjoying a good read.” Fresh Fiction

“Peggy Webb and laughter go together like grits and gravy. Elvis and the Dearly Departed will leave you howling for more.” Vicki Lewis Thompson, NYT bestselling author

Good ol' southern fun with a side of yummy recipes!

By Kristen

This was a great addition to the Southern Cousins series. I loved all of the different takes on the story of Jack and Callie. I was so happy to read more of Fayrenes word mishaps! I tried one of the recipes and it was down home delicious, I can't wait to make the others. If you have never read anything of this series, I recommend that you do read it. It's fun, laugh out loud and makes you want to visit Topelo. Another job well done for Peggy Webb!!!

I Love Elvis (the Hound Dog)!

By IrishTiggerGrrl

This is definitely one of the better series I've read recently and I was thrilled to see this prequel -- and the

story of how Jack and Callie met. It has the same humor, engaging characters, and of course, Elvis the Hound Dog. That said, this is the first book of the series that I did not give five stars. It could be the whole novella idea -- just as I'm getting into it, it's over. Especially when the book is completed at the 75% mark in the Kindle. The other 25% is recipes, followed by synopses of the the six books in the series (five of which I've read already). Plus the "voice" of the book seemed to jump around a lot more, especially for such a short book. The premise is that Elvis is telling the story of how Jack & Callie met and married -- but since he wasn't in the picture at the time (Jack gave Elvis to Callie after they were married), Elvis narrates but allows the characters to tell their (often conflicting) part of the story, which Elvis know because EVERYONE in town confides in him. Because of this format, the story is told from the viewpoint of a different character every several pages and it got a little wearying jumping like that. But ultimately, it was a good book.

Great story!

By Lee Einhaus

This is a sweet, funny story of Jack and Callie meeting, falling in love and getting married! I love Elvis and the Southern Cousins Mystery series
