MONSTROUS STORIES #4: THE DAY THE MICE STOOD STILL BY DR. ROACH PDF

Funny, light-hearted monster stories that are perfect for young readers, brought to us by the esteemed Dr. Roach.

Jilly can't believe what she's seeing when she wakes up one seemingly normal morning. All the mice in her small town of Buffalo Bottom have gone strangely still. What could make a town full of rodents suddenly freeze up?

Things only get weirder, though, when the town is suddenly visited by a flying saucer--full of talking cats! These friendly felines say they come in peace, to help rid Buffalo Bottom of its mouse problem. But when the town's cows start disappearing mysteriously, Jilly suspects the visitors may be up to no good. Now she just has to prove it.

Good series for boys.

By Miss Liberty

I help my neighbor kids with reading and homework and the nine year old boy loves the Dr. Roach books. He doesn't know all the words but still enjoys the stories. The illustrations provide clarity and humor. We love Dr. Roach! He liked the books so much that he took all four to school to show to his teacher and other kids. It is a bonus that they are affordable.

The book came in bad condition in order to be read as opposed to "very good condition" as advertised.

Short, fun, easy for kids to read.

By Eagle Eyes

My six year old liked it. He thought the book was "awesome". I agree that it is pretty good, but none of the books in the series (we read all of them) could compare in entertainment to the Attack of the Giant Hamster.
