Review

Craig S. Keener

— Asbury Theological Seminary

“Here we have on full display the distilled fruits of decades of research and engagement by a mature scholar of the first rank. James Dunn engages a vast range of secondary and primary literature in a way that only a senior scholar can do, synthesizing the best insights, critically and meticulously evaluating all sources and hypotheses, and producing a masterpiece of erudition that will be foundational for future work on the subject. While respectfully interacting with a range of scholarship, this work also forges its own noteworthy conclusions, in the process sometimes challenging conventional assumptions from across the spectrum of scholarly opinion.”

Bruce Longenecker

— Baylor University

“Calling this substantial book his ‘farewell to the large undertakings of my writing career,’ James Dunn compellingly engages developments in Christian identity from the destruction of Jerusalem in 70 ce into the late second century. *Neither Jew nor Greek* is awe-inspiring in scope and majestic in execution. Like a peerless master taking his craft to new heights, Dunn accomplishes his task with the clarity of thought and expression that has been a hallmark of his long-standing career. This is both sweet vintage and astute valediction.”

J. R. Daniel Kirk

— Fuller Theological Seminary

“In concluding his magnum opus, James Dunn offers a powerful account of how the earliest Jesus tradition and its various renderings by Jesus’ first Jewish followers came to shape and be shaped by the movement that developed from 70 to 200 ce. Students and scholars alike will find much to appreciate, argue with, and learn from.”

About the Author

James D. G. Dunn is Lightfoot Professor Emeritus of Divinity at Durham University and one of the foremost New Testament scholars in the world today. His many other books include *The Oral Gospel Tradition*; *Jesus, Paul, and the Gospels*; *The Theology of Paul the Apostle*; and *Jesus Remembered* and *Beginning from Jerusalem*, volumes 1 and 2 of *Christianity in the Making*.

It will include more understanding of you to life and also work far better. **Neither Jew Nor Greek: A Contested Identity (Christianity In The Making, Volume 3) By James D. G. Dunn**, Try it and also verify it.

NEITHER JEW NOR GREEK: A CONTESTED IDENTITY (CHRISTIANITY IN THE MAKING, VOLUME 3) BY JAMES D. G. DUNN PDF

The third and final installment of James Dunn's magisterial history of Christian origins through 190 C.E., *Neither Jew nor Greek: A Contested Identity* covers the period after the destruction of Jerusalem in 70 C.E. through the second century, when the still-new Jesus movement firmed up its distinctive identity markers and the structures on which it would establish its growing appeal in the following decades and centuries.

Dunn examines in depth the major factors that shaped first-generation Christianity and beyond, exploring the parting of the ways between Christianity and Judaism, the Hellenization of Christianity, and responses to Gnosticism. He mines all the first- and second-century sources, including the New Testament Gospels, New Testament apocrypha, and such church fathers as Ignatius, Justin Martyr, and Irenaeus, showing how the Jesus tradition and the figures of James, Paul, Peter, and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity.

Comprehensively covering an important, complex era in Christianity that is often overlooked, this volume is a landmark contribution to the field.

What is there not to admire in the careful scholarship ...

By James Garacia

What is there not to admire in the careful scholarship of Professor Emeritus Dunn. He has devoted his life to untangling the threads of Christian Origins. I shall study this book -- and the other two of the trilogy -- until I die. James Garcia

Neither Jew nor Greek: A Contested Identity (*Christianity in the Making*)

By LO Lung-kwong

Dealing an important issue which is much overlooked for long time! It is time to look at it seriously & carefully! This book opens a new window!

Not exactly what I had imagined

By doncecca

Actually ... I don't regret having bought the book. There are always a lot of good things and useful insights in J. Dunn's writings. Nevertheless it's not exactly what I had imagined, supposing this third volume of *Christianity in the Making* would continue the story from where it left off at the end of the second volume. Instead almost half of the book is spent to repeat many things present in the previous books of the trilogy, and the rest doesn't look exactly as a "story". In any case...

The attempt to prove the birth of church's priesthood out of thin air in the end of the first or early second century is almost pathetic and supported by a set of contradictions difficult to find elsewhere. But of course, if the thesis of the work is summarised by Kasemann's quotation mentioned at page 816, one cannot expect anything else.

For the extent of the subject the volume is not so big, considering also it uses a font size larger than in the previous two books of the series.

Moreover ... It makes me smile the fact that the author ignores completely! (and, of course, purposely) the magnum opus of J. P. Meier "A marginal Jew", and this, may be, because on the other side Meier had dealt

almost spitefully, in p. 23 of his 4^o volume, with the first Dunn's volume :) :) :
