# OCTAVIAN'S UNDOING (SONS OF JUDGMENT) BY AIRICKA PHOENIX PDF

(New Adult, contains language and sexual content. 18+) No good deed goes unpunished. Riley Masters learns this the hard way when she finds a wallet and decides to do the right thing. But returning it will cost her much more than she bargains for. Abandoned by her mother, raised by an indifferent father, Riley has accepted the fact that she would be alone always. She has no idea that a single act of kindness would propel her into a world where creatures that shouldn't exist guard the human race from the demons that lurk in the shadows. That it will cost her the lives of those she loves while unearthing a destiny she never imagined with a man who is forbidden to love her. She finds passion, romance and the family she'd been searching for her entire life, but at what cost and what is she willing to sacrifice to find answers and happiness? Octavian Maxwell has always known his place. He is a Caster, a Son of Judgment. His job is to protect the mortal world from the creatures plotting to destroy it. Instead, his world is shattered when a human girl walks into Final Judgment, a girl he has been searching for his entire life, a girl he is forbidden to ever touch. Being with her will break the oath he's sworn to never love a mortal. But his heart has already found its mate and it refuses to let go. Final Judgment... a place undetected, a gateway to evil and a legend that will undo everything anyone has ever known about our world.

good, but cannot recommend it.

By Rebecca Shambley

This is a really good book. I will say that. However, I cannot in good conscience suggest it. Why? Because in the time since its been out, the author has written numerous other books, starting another for (possibly as many as six) series'. It leads me to believe she loves to start new ones, but not finish them. That being the case, this author has lost my interest. Now, if you don't mind getting a book that is good, but an incomplete story, then by all means, purchase it. BUT I thought it only fair to say something, as I had been avidly watching the new releases of Me. Phoenix.

For those offended that I would post this.. all I can say is that it's honest and straight forward which is supposed to be the purpose of a review.

4 of 4 people found the following review helpful.

Yum!!! HUGE Sons of Judgment fan!

By Liz J.

I just finished reading this book, overall I think it took me about 10 hours from "cover" to "cover". Why? Because it was AWESOME!!!

Octavian is a Caster, a judge of sorts for Creatures of the Veil. One of the 3 rules passed down from Heaven is to never touch a human. Then in walks Riley and oops, he couldn't keep his hands off her. They are drawn to each other like a moth to a flame, they can't seem to stay away and fall for each other quickly. Everything is stacked against them it seems and just when something gets worked out, another HUGE kink in their plans and lives happen. Both of them are willing to risk anything, except each other, to save the lives of the other. In the background, there's a war brewing between Demons and Angels and it seems the two of them are caught right in the middle, along with Octavian's family and anyone else they love.

\*\*\*\*Possible Spoilers\*\*\*\*

I loved this story. I couldn't believe the twists and turns it had and would be almost gasping for air as I read about their fight for survival. I was shocked beyond words when learning of "what" Octavian and his family are. I did NOT see that surprise coming. I loved the humor and the wit throughout the book. I was laughing so much through this book at the one liners and sarcastic remarks. And the romance, while there was some sexy parts, they weren't too horrible that someone who didn't want to read them, couldn't skip over them. I just have to say that the parts I read were pretty tastefully done and steamy.

My favorite parts of the book? Octavian's banter with his brothers. The twins absolutely cracked me up to no end. I loved the way his parents treated each other...with reverence and love. Daphne was a very welcomed surprise. I couldn't quite figure out her story, hadn't guessed it, until it was revealed, but I thoroughly enjoyed her part in the story. Honestly though, I can't remember a "favorite part" because I enjoyed the entire book and would end up quoting it in its entirety. Ugh, now to wait for book 2!!!

Boo

By Feefy

Wow. Just wow. First of all, the beginning of this book showed such promise - I was so excited for this story to unfold. Then, a quarter of the way through the book (which was about 200 pages, this is the longest book ever) the spelling and grammatical errors began - at one point there was one page where I counted 7 errors! It made it so difficult to read. In addition to that, the story itself did not connect, I felt like there was a lot of setting up for this grand reveal and then it was over and anticlimactic. And don't even get me started on when Octavian and Riley FINALLY sleep together (90% through) - worst scene ever. I only finished this book because I wasted so much time reading the rest of it!! I skipped through a lot because it was so repetitive - not reading the second one!
