Great Book and Software

By .

Personal Finance is a valuable tool for anyone looking to take better control of their finances. This book is appropriate both for absolute beginners and for people looking for a more in depth explanation of finance. It covers many topics, including calculating your net worth, creating a budget, mortgages, insurance, and taxes.

The included software is very useful, allowing you to record your financial situation in printable spreadsheets.

Good book to have

By B. Mendez

I needed it for a business class and kept it! Although I'm not a business major but has lots of things we need for life. Well explained and illustrated.

Five Stars

By Kaylea Albertson

There were problems in the beginning, but they were handled very well.
