A practical prayer-book designed to help wives pray God's Word for their husbands consistently. "God sees when women kneel in prayer for their husbands, and 'Prayers of an Excellent Wife' provides the reader with all the scriptural principles and language needed to cover a man with powerful intercession-prayers so effective, they'll resonate throughout his life." -JONI EARECKSON TADA "'Prayers of an Excellent Wife' will inspire you to pray faithfully and fervently, and instruct you how to pray according to Scripture. I hope many wives will use these prayers to lavish their husbands with kindness." -CAROLYN MAHANEY, Author of "Feminine Appeal" "'Prayers of an Excellent Wife' provides a guide for humbly engaging in the joyful duty of intercession, petition and thanksgiving for our husbands. I am delighted to speak these prayers with and on behalf of Matt." -LAUREN CHANDLER

Powerful, Practical and Biblical

By J. S. Belk

I highly recommend both this book and also for men: Water Of The Word: Intercession For Her

The book opens with a strong foundation of what an excellent wife means biblically and in church history. This reassurance along with an appeal to not treat this merely as a book, but for married women to encourage their husbands by praying with them is an important reminder. I also appreciate the short quotes, by powerful

authors, placed throughout the book reassuring and encouraging the reader to commune with God and not make the action of prayer an idol.

As a young unmarried man, I have used Case's counterpart book for about 7 months to bolster my prayer life, specifically for God's work in my life and the sanctification of my future wife. The prayers themselves not only are beneficial for their substance in directing the heart to intercede to our Father on behalf of our spouse, but also provide practical examples of how to turn the Bible itself into prayers. Case notes which passages the prayers are based off of, which help bring to mind the full weight of the context of the passages used.

For the married woman, this book is a must. For the single woman, waiting on God for her future husband, this book gives hope that God is sovereign and to trust him with every aspect of life through prayer. For the unmarried and married man I recommend Water of the Word, not as a book to put on your shelf, but as an impetus to intercede fervently, stir up a passion for God and glorify God as you show your helplessness to change people apart from His power.

Beautiful Book!

By Antler Family

This will be one of the most important books I will ever own.

This was given to me at a time when I was privately asking God to teach me to pray and what an answer to that prayer! I am struck by the sweetness of our Lord!

I didn't have this book a day before I was writing a list of all the people I knew who would love a copy.

Five stars seems too few for this beautiful book!

Life-giving Scripture, Consolidated for Daily Use in Prayer

By Audrey Heald

This is the book that, upon opening it up to read, makes you go "hey, haven't I read this before?" And that's because you have - in the Bible.

The short yet dense entries covering nearly page of Prayers of an Excellent Wife are pure Scripture. The words you know and love (and often wish you could recall by memory, when praying) from the history, the poetry, the prophets, the Gospels, and the letters of the Old and New Testaments are woven by the author into edifying, structured prayers that can breathe freshness into your prayer life if you allow.

Interspersed with the prayers, now and then, are prayer-focused quotations from writers and theologians such as Jonathan Edwards, Wayne Grudem, George Mueller, John Piper, Jerry Bridges, and J.I. Packer. These offer food for thought, and contribute to the contemplative momentum the book brings to your quiet time with the Lord.

I recommend this book to anyone looking to strengthen their prayer life by incorporating God's very Word into it. Not only for married women on behalf of their husbands, I've found that this book can be used, and the prayers made your own, by many, including single girls actively waiting on the Lord for a godly mate, and loving sisters interceding for their brothers.

Any one of the prayers included here could be prayed day after day, and yet Case has collected an entire

book of them to help give new hope and encouragement every morning.
