REDEMPTION (THE ST. CLARES BOOK 1) BY L.R. OLSON PDF

It's been over a year since my perfect life was destroyed within the burning confines of an SUV. With my parents gone, I find myself juggling work and college, just trying to make enough money to survive. And although it's anything but true, I can't seem to escape my reputation as the girl who sleeps around. But I have a plan: keep my head down, go through the motions and get the hell out of my small town as soon as possible.

Things are going as planned...until the mysterious Ryder St. Clare shows up, saving my life like some modern-day knight in shining armor. Gorgeous, smart and athletic, he seems too good to be true. Maybe he is. From the moment I meet Ryder, I know he harbors secrets he's more than reluctant to share. Although I should be wary, I can't stop myself from wanting him, needing him, caring about him. Is Ryder St. Clare the answer to my dreams, or will dating him open a Pandora's box of pain better left buried in the past?

I wouldn't have started the series if I would have known it may not be finished.

By Cathy Lynne

I read that L. R. Olson only continued stories if you write a review. That is weird to me. I don't usually write reviews. I think if an author loves writing, the story would have to come out no matter how many reviews they received. I would like to know what happens to this family. If that strokes your ego enough, you should finish the series.

By Michelle Walker

I read Seduction, which was the prequel to this book, first. I believe I waited a bit to read this one and now I am still eagerly waiting for the other books!! This is one of my favorites.
