SEVEN LADY GODIVAS: THE TRUE FACTS CONCERNING HISTORY'S BAREST FAMILY BY DR. SEUSS PDF

Seven Lady Godivas: The True Facts Concerning History's Barest Family By Dr. Seuss. Discovering how to have reading behavior is like discovering how to attempt for eating something that you really do not desire. It will certainly require more times to aid. Moreover, it will certainly additionally little pressure to serve the food to your mouth and ingest it. Well, as reviewing a book *Seven Lady Godivas: The True Facts Concerning History's Barest Family By Dr. Seuss*, in some cases, if you must read something for your brand-new tasks, you will really feel so lightheaded of it. Even it is a book like *Seven Lady Godivas: The True Facts Concerning History's Barest Family By Dr. Seuss*; it will certainly make you really feel so bad.

From Publishers Weekly

With the commercial success of *You're Only Old Once*, Random House offers a commemorative edition of another adult work of humor by the venerable children's book author. Originally published in 1939, this revisionist farce attempts to rectify the "shameful" story of "a big blond nude trotting around the town on a horse" and Peeping Tom, the "illicit snooper." The frothy, historical romp presents seven Lady Godivas (Ladies Godiva?) whose father, the Lord of Coventry, is thrown from a horse and killed. The noble daughters vow to postpone their marriages to the seven Peeping brothers until they discover "some new and worthy Horse Truth, of benefit to man." This gives Seuss the opportunity to contrive the origins of such wisdoms as, "Don't put the cart before the horse." Seuss's only prose work (according to promotional material) lacks the sparkle of his children's verse, his women aren't as interesting as the real Lady G. an 11th century maverick who sacrificed her modesty to force her husband to lower taxes and readers will wonder why the protagonists (who bear unsettling resemblances to children in later Seuss works) are unclothed. Major ad/promo; Literary Guild alternate.

Exciting addition to collection, but not for kids

By Summer Adkins

Awesome, witty, funny book. Not for young children's eyes.

0 of 0 people found the following review helpful.

Just OK

By Pamela I. Norfleet

I had no idea that Dr Seuss had written this book before he became famous so I had to order it. It's OK, not nearly as good as his childrens books

An Early Dr. Seuss Gem

By F. Orion Pozo

"A beautiful story of love, honor and scientific achievement" is how Dr. Seuss, with tongue in cheek, describes this book. Touted as Dr. Seuss's first book for adults, *The Seven Lady Godivas* was originally published in 1939 and reissued in 1987. It tells the story of not one, but seven 11th Century Lady Godivas. They are sisters sworn not to marry their beaux, the seven Peeping brothers (yes, Tom is one of them) until each of them discover a scientific truth about horses. They were driven to this oath by the death of their father during an experiment using a horse as a means of transportation.

The history is confused, but the fun never stops. Dr. Seuss's full page drawings (in red, black and white) illustrate every other page. The end papers are a fanciful illustration of the Godiva family tree. The text, though wordier than his childrens books and not in rhyme, is thoroughly Dr. Seuss. He explains the seven sisters preference for nudity by saying they had brains and were not given to vanity. He goes on to say "they were simply themselves and chose not to disguise it." Although this is a great summation of nudist philosophy, it doesn't say much about his regard for women who choose to wear clothes. Instead of scientific truths we are treated by the author to fanciful origins for seven proverbs about horses as each sister discovers her "horse truth" and goes on to marry her boyfriend.

If you enjoy Dr. Seuss, you will find these drawings and this story delightful. Although described as an adult book, children will enjoy the story as well. Today's young folks may not be familiar with all seven of the horse proverbs that Dr. Seuss relates in a book that is over 60 years old, but it should not deter from their enjoyment of this amusing tale. The drawings are not detailed enough to offend even the youngest of readers.
