Not as great as some of the older books

By amf0001

Cardeno C has written 3 of my all time favorite m/m romances - I just love Where He Ends and I Begin (Home Series), Love at First Sight (Home Series) and He Completes Me (Home Series) I've reread all of them frequently. So I truly love some of his/her work. But lately I haven't, and that's a disappointment for me.

Strong Enough just wasn't deep enough for me. Emilio is a very sweet 22 year old, but I would have liked it better if he were 26 (or if Spencer were 32) the 16 year age difference did bother me, as well as the life experience difference. Also, in her previous books, both men clearly brought strengths to the relationship. I felt that Emilio brought much more to the relationship than Spencer ever did, who was a bit too damsel in

distress for me. That being said, I read this from beginning to end, and if it was the first Cardeno C book I had ever read, I might have liked it more, but it pales when compared to his/her older books and that makes it a weaker entry for me.

Sweetly, lovingly, and nicely done

By Kimberly Roberts

What a wonderful story. Done with humor, passion, compassion and sexiness, too. I found myself rooting for Spencer and Emilio from the opening pages and wasn't disappointed at stories end. Author dealt with difficult subjects without unneeded misunderstandings, contrived breakups or forced emotional breakdowns. It was a beautiful love story written very well. Worth the price.

Amazingly romantic M/M story !!

By D.Hart, RCIS

I really enjoyed this sweet, loving, caring, mushy, honest book. We get deep characters that we like right away, an intriguing story, and amazing, erotic sex scenes, yummy. Everything you could want is here. This "love-at-first-sight" tale is about a construction worker and the college professor, seeing each other as they are caught looking at each other. 38 yr. old Spencer, is 5'9", 160 lbs., soft, beginning to grey, and has big dimples, and apparently just what Emilio is looking for. Emilio, 22, cut muscles, chiseled features, and perfect, is a licensed electrician, with a big Spanish family, and his targeting Spencer. Bold Emilio catches up to shy Spencer in the parking lot and asks him if he's interested in getting together. Spencer is shy, hesitant and amazed at how stunning Emilio is up close. After Emilio bulldozes his hesitation, he says yes. And so it began. Emilio knows he's the "one". Spencer has a past that makes him leery, he's socially limited and had a stifling family, but the guys get to talk everything over, explain, share, and accept, with total honesty and devotion. It does your heart good to watch the men find their passions, their deep emotions, their unconditional feelings. Loved it !

Loved Emilio, what a great character !

Emilio is stronger, bigger, rougher, gorgeous, skilled and kind, and he made Spencer feel alive for the first time in a long while. Spencer finally tells Emilio his event that causes him problems yet today, and his ex cause some trouble, there's family to meet, etc..

I highly recommend this lovely tale of needs being met, strong men taking what they want, overcoming obstacles, and true love.

Highly recommend. ENJOY !!

This story has non-descript, retellings of date rape of a male, and also of a female.

Plus the way it affects their lives today, each in a different way.
