Refreshing

By Jimmy J.

Read this to both of my sons and they were cracking up! It was refreshing to read my kids a children's book for once that was not predictable and boring. Large vivid pictures and large text made this an easy read for my kids as well as understanding that heck we are all awkward in some shape or form. Just own it and live life!

This book is really fun to read with little ones. My daughter loved the rhyming words and thought the pictures were hilarious! The best part is all of the subtleties that the author has worked into the illustrations.... love it!
