THE GOOD DEED BLUES BY ROBERT LUBRICAN PDF

When one joins the Boy Scouts, one of the requirements is to do a good deed every day. But that's not as easy as it sounds. Things go wrong. Stuff doesn't turn out like you thought it would. Sometimes people aren't happy with you.

Bobby had that problem. Every time he tried to do a good deed, it always seemed to get screwed up somehow. It happened to him for years, until he finally succeeded in doing something that turned out the way it was supposed to.

And finally, he made someone happy - a woman named Gloria.

So he went back and did more good deeds for Gloria, who was grateful. And, over the years, Bobby and Gloria formed a friendship, of sorts, as she saved up good deeds for him to do and he visited her regularly to do them. She even tried to pay him, but of course he couldn't take the money. Good deeds were done at no charge.

And you don't brag about doing good deeds either ... which is why nobody else in town knew what Bobby was doing for Gloria Wilson ... or how much time he was spending in her company.

And that was fortunate, because Gloria was a divorced woman and, in the minds of the women in town ... including Bobby's mother ... that made her a sexual predator.

Which is how a woman who almost nobody in town would even speak to, ended up being befriended by a young man who treated her with respect, and dignity, and did nice things for her.

Which is why, once he was old enough, she decided to do some good deeds for Bobby too.

They were things his mother would have expected her to do, as a matter of fact.

It all sounds so serious, but it wasn't like that at all. Come along on a hilarious coming-of-age romp as Bobby grows up and finds out that life consists of joy, and pain, awe and heartache, tension and, most of all, love.

Warning: This book deals with adult themes and uses adult language. It is not appropriate for those under the age of eighteen.

Bobby 's good deeds

By Anomalous009

Another wonderful erotic tale from Mr. Lubrican. Bobby is a young boy scout learning to live by the Scouts motto, and do at least one good deed a day. Gloria is a beautiful 20-something who is shunned by the townsfolk because she must be a "ho" since she has no discernible means of sustainment. Bobby, not knowing any better, decides to help Gloria with chores. Over the years, a loving friendship develops, culminating in some hot and heavy sex. Funny, sexy, and heartwarming!

I can't tell you how glad I am that I bought this book (minor spoiler)

By Thomas Richardson

It's funny, it's sexy, and it has a very happy ending.

The funny part -- Bobby takes the Boy Scout rule about "Do a good deed every day" to heart. But when he tries to do a good deed, things wind up going wrong so spectacularly that he gets grounded for a month EVERY SINGLE TIME. Until he's fifteen and goes over to Gloria Wilson's house, his track record of good deeds completed successfully is ZERO. Like for instance the time he decides to use his slingshot to kill a squirrel that's stealing food from a bird-feeder in a neighbor's back yard -- he winds up shooting out the glass in the neighbor's sliding-glass door. WHOOPS.

But at fifteen he makes friends with the scandalous divorcee Gloria Wilson. His friendship starts with a good deed -- he carries in her groceries. And while she isn't the floozy that every woman in town thinks she is, she does have a smoking hot body, she does love sex, and both Gloria and Bobby are attracted to each other. During the two-plus years of the story, Bobby learns about sex and Gloria learns about love.

The ending is perfect. I won't go into detail because I don't want to ruin things with a spoiler, but at the end Bobby does something very goodhearted and very brave, and then he and Gloria live happily -- sorry, can't say more.

Another fine story by Robert

By Obsidiona

I have had this one for a while but accidently deleted it from my kindle, I have read it at least a dozen time to my great enjoyment. See my review for "The Hermit of Scarecrow Valley" to read more about my feelings for Robert's work.
