THE INQUISITOR'S MARK (EIGHTH DAY) BY DIANNE K. SALERNI PDF

Because of this book *The Inquisitor's Mark (Eighth Day)* By Dianne K. Salerni is offered by on-line, it will alleviate you not to publish it. you could get the soft file of this *The Inquisitor's Mark (Eighth Day)* By Dianne K. Salerni to save in your computer system, device, as well as a lot more tools. It depends upon your readiness where and also where you will certainly check out *The Inquisitor's Mark (Eighth Day)* By Dianne K. Salerni One that you require to consistently keep in mind is that reading publication ***The Inquisitor's Mark (Eighth Day)*** By **Dianne K. Salerni** will never ever finish. You will certainly have ready to check out other book after finishing a book, as well as it's continually.

From School Library Journal

Gr 4–7—This volume picks up right after the events of book one. Just weeks after saving the seven-day world from destruction at the hands of the evil King Wylit, Jax Aubrey discovers he might not be the orphan he thinks he is. When his best friend is kidnapped, Jax learns that he may have a mysterious long-lost Uncle and possibly the family he craves. Unfortunately, Uncle Finn happens to be the Inquisitor for the ruthless, criminally minded Dulacs, the family that had Jax's guardian Riley's entire family assassinated. During a search for Jax's liege-lady, Evangeline's sister Riley is trapped in the eighth day and Jax uses the time to rush to New York to save his friend and find out more about his family. Sure enough, Jax is related-his Uncle and Jax's deceased father look eerily alike, and Jax even has a near-identical cousin, Dorian. But is Dorian a friend or just another pawn in the seeming endless political intrigue of the Dulacs? Jax will need to find out soon or he could lose Riley, Evangeline, and much more. Salerni does a good job of portraying Jax's desperate need to fit in and find a family. Readers learn more about the Eighth Day, the Transitioners, the magical Kin, and their connection to Arthurian legend. The narrative is split between Jax and Dorian and there could have been a little more distinction between the two voices at times. The concept and the characters, however, are strong enough to carry the weight of a few minor flaws and *The Inquisitor's Mark* should continue to entertain its audience who will now eagerly await book three.—Erik Knapp, Davis Library, Plano, TX

Review

“Combining modern intrigue and ancient magic, this second volume in what continues to be an inspired series does not disappoint. Jax is an endearing mix of heroic and awkward as he struggles with his new identity. An exciting blend of Arthurian legend and organized crime.” (Kirkus)

“Blending Arthurian legend with action-packed adventure, the second in the Eighth Day series answers some questions but leaves plenty dangling for the next book.” (ALA Booklist)

“The concept and the characters are strong, and should continue to entertain its audience who will now eagerly await book three.” (School Library Journal)

“Ancient magic pairs nicely with modern intrigue. Complicated alliances and ruthless villains keep the pages

turning. A promising start to a new trilogy.” (Kirkus Reviews (on The Eighth Day))

“[A] fast-paced, magical adventure. An unparalleled mix of evil villains, humor, and background that set this up for a likeable trilogy to be recommended for fans of Percy Jackson and Harry Potter. Absolutely necessary for middle grades.” (Voice of Youth Advocates (VOYA) (on The Eighth Day))

“Fascinating...Melds Arthurian legend into present day. Fast paced and exciting.” (School Library Journal (on The Eighth Day))

From the Back Cover

Related to the enemy. Loyal to their target.

After returning from an all-out war in Mexico, Jax Aubrey, his guardian, Riley, and liege lady, Evangeline Emrys, are in hiding. So when a man named Finn Ambrose tracks them down, claiming to be Jax's uncle, their defenses go up.

As it turns out, Uncle Finn is part of the Dulacs, a dangerous enemy clan. After the Dulacs kidnap Jax's best friend, Billy, in order to lure Jax to their residence in Manhattan, Jax has no choice but to go to the city on his own or risk endangering Riley and Evangeline.

There, he meets Uncle Finn; his cousin, Dorian; and the rest of his crooked relatives—plus he inadvertently stumbles upon a maze of magic tunnels beneath their apartment building. And what Jax finds there could put the entire Eighth Day and the Emrys bloodline in jeopardy.

THE INQUISITOR'S MARK (EIGHTH DAY) BY DIANNE K. SALERNI PDF

The sequel to *The Eighth Day*, a fantasy adventure that VOYA called "unparalleled" and "absolutely necessary for middle grades," continues with higher stakes, greater world building, and more pulse-pounding action. With suspense, danger, and new discoveries around every corner, this fast-paced fantasy series that Kirkus Reviews raved was an exciting blend of "modern intrigue and ancient magic" will be a welcome addition for fans of Percy Jackson and Harry Potter.

After an all-out battle in Mexico, Jax, Riley, and Evangeline have gone into hiding. There are still rogue Transitioners and evil Kin lords on the hunt for Riley, a descendant of King Arthur, and Evangeline, a powerful wizard with bloodlines to Merlin, in order to gain control over the Eighth Day.

So when Finn Ambrose, a mysterious stranger, contacts Jax claiming to be his uncle, Jax's defenses go up—especially after Jax learns that he's holding Jax's best friend, Billy, hostage. To rescue Billy and keep Riley and Evangeline out of the fray, Jax sneaks off to New York City on his own. But once there, he discovers a surprising truth: Finn is his uncle, and Jax comes from a long line of Dulacs—a notoriously corrupt and dangerous Transitioner clan who want Riley dead and Evangeline as their prisoner. And family or not, the Dulacs will stop at nothing to get what they want.

Loved this!

By Natalie @ BookLoversLife

I loved Book 1 of this and couldn't wait to read more about Jax and the gang. After the ending of book 1 Jax and Evangeline are gone into hiding but they know they can't stay hiding because they have to try to find Evangeline's sister. Riley decides to try and handcuff himself to Evangeline and see will she stay in the

normal week, but it doesn't happen and Riley ends up stuck in the Eighth day with Evangeline.

During that time Jax gets a call from his friend Billy to say that he was kidnapped by Jax's Uncle. Jax doesn't know anything about an Uncle so is suitably nervous. Jax knows that he can't wait for Riley to come back, so he sets off to rescue his best friend! Once there he finds out some secrets and surprising truths. Can he rescue Billy and find out where Evangeline's sister is before it's too late?

This was just as good, if not better, than book 1. There was so much more action, adventure and intrigue that it was such a rollercoaster.

Character wise, Jax was just as awesome as he was in book 1. He is so brave and true and it really comes across in *The Inquisitor's Mark*. I felt for him when he learned about his father. No matter what was happening to him though, he always thought of his friends first. Riley isn't as prominent in this edition but he is as cool as ever. Billy was such a breath of fresh air! He is such a lovable character and I hope we see more of him in the next one. There is also a host of new characters introduced, with Dorian being my favourite. Despite being a Dulac, he was so nice and kind. I hope we see more of him too.

Plot wise, it was really fast paced and engaging. There are some secrets revealed. Jax finds out some things about his dad and Evangeline finds out things about her sister. While this answers some questions from book 1 we are left with even more after the ending of this!!

Overall, *The Inquisitor's Mark* was an action packed and intense ride. The action and adventure start pretty much straight away and then we are whisked away on quite an intriguing and suspenseful read. Billy adds a welcome comic relief and is sure to be a favourite for everyone. There are magical creatures thrown into the mix this time and a lot more villains. With the ending we are left hanging but it just makes me extra eager to read book 3. Dianne K Salerni has created a fantastical realm and one I love diving into. Her writing brings the story to life and makes the reader eager to read more. I'd highly recommend this series to everyone.

Intense, intriguing, and exciting

By TeacherReader

I LOVED book one, *The Eighth Day*, but *The Inquisitor's Mark* is even better!

After the all-out Eighth Day war in Mexico, Jax, Riley, and Evangeline have gone into hiding. There are still rogue Transitioners and evil Kin lords who want to use Riley, a descendant of King Arthur, and Evangeline, a powerful wizard with bloodlines to Merlin, to get control over the Eighth Day. So when Finn Ambrose, a mysterious stranger, contacts Jax claiming to be his uncle, Jax's defenses go up—especially when Finn tells Jax that he's holding Jax's best friend, Billy, hostage.

The Inquisitor's Mark is an intense, action-packed fantasy set in a world where Arthurian descendants can enter a secret spell-created day between Wednesday and Thursday.

This one picks up right where *The Eighth Day* left off, and our characters need to find and protect one of Merlin's descendants, otherwise she will be murdered to destroy the people living in the 8th day.

The Inquisitor's Mark kept me glued to the page throughout. A new set of characters are developed as an enemy clan, and they are creepy and fun to read. I loved the addition of Dorian's perspective for helping us understand just how evil the Dulacs are and how hard it is to make the right decisions.

Salerni also used this book to develop her world even further. We meet magical creatures and explore fascinating time-and-space travel tunnels.

Second books often have a hard time living up to their counterparts, but I found this Book 2 to be even stronger than Book 1, even though Book 1 was a 5 star book for me. Salerni doesn't ease into the story like she did in *The Eighth Day*, she jumps straight in. The dialogue is more authentic, and the world was crafted more clearly.

Also, I love that this series is steering clear of annoying love triangles. Some twinges of romance exist in the background; as in, he has a crush on her... they're holding hands. As a result, this book focuses on plot and world development, with actual character development, rather than drowning in irritating romance.

If you're looking for a fun, addictive read, these books are highly recommended!

Awesome series!

By This Kid Reviews Books

Synopsis- Jax Aubrey is unique. He and his guardian Riley Pendare/Pendragon are Transitioners – people who are able to experience a special eighth day (nicknamed “Grunsdag”) between Wednesday and Thursday, and have a family magic talent (Jax’s is inquisition, Riley has the voice of command, etc.). They are able to protect (and fight) the Kin – super-powerful magic people, all with different talents. Some Kin, like Evangeline, are good, while some Kin are evil and want the eighth day to be the only day.

All was going well, until Jax (who was in hiding)’s former best friend, Billy, was kidnapped because he knew Jax. Not only that, but he was kidnapped by Jax’s uncle. And Jax’s dad had told Jax that he had no other relatives, besides his mother’s cousin, so what is going on? When Jax is forced to join his family, and the evil Transitioners that they serve, he can’t believe it. They work for the enemy and they want Jax to join them. But, Jax is loyal to Riley and Evangeline.

What I Thought- This was a very thrilling book. It explains a lot about Jax, and Transitioners in general. There is a lot of mystique added to the plot and the characters. Jax, especially in this book, is a character you can care for. His family is working for the enemy, and they want Riley and Evangeline in their clutches. The story draws you in, and gets you asking questions. The story is appropriate for all ages, and the publisher rates it for ages 8+. But there is a lot going on in the plot that may make it a bit hard for younger readers. This is a great series, and I cannot wait for Book 3!
