Very good, except...

By Charles W. Rollins

I bought this a few years ago from Jack Van Impe's television program and must say it is a must. However, they advertise it will be your only bible you will want to carry. I disagree because to my dismay there is no concordance in the back. There is a great topic reference in the front about prophecy topics but no concordance in the back to help in witnessing or searching when the need arises. So you will need to carry this bible for the prophecy reading and then yet another one with a good concordance.

If Mr. Van Impe would put a concordance in the back then this could very well be the only bible you will need to use and carry. We can only hope and pray.
