Review

A modern day Holmes' tale that fits seamlessly with the original stories. Doyle would be proud ... and you should be reading it right now!★★★★Christopher Havens, Professional Reader, netgalley.com.

In the quirky fashion of Sherlock Holmes and his trusty sidekick Dr. Watson, a mystery unravels. Follow the journey to help solve numerous murders and the apparent kidnapping of Mrs. Irene Holmes. Will Sherlock ever be reunited with his new wife? Well written and enjoyable.★★★★Christy Bravo, Consumer Reviewer, netgalley.com.

Fun to read, had a touch of steam punk about it, in my mind. I did like the twist as it was different to what I expected, which push me into reading it well into the evening. I think Sherlock Holmes fans will get a kick out of it - I certainly did.★★★★Leyla Johnson, Consumer Reviewer, netgalley.com.

The final thought is not only the book [The Misadventure Of Sherlock Holmes By Giles Chanot](#) that you search for; it is exactly how you will get numerous publications to sustain your skill and capability to have piece de resistance.

THE MISADVENTURE OF SHERLOCK HOLMES BY GILES CHANOT PDF

Sherlock Holmes and John Watson investigate a sequence of mysterious crimes in the nation's capital. A young woman is kidnapped and ransom is demanded, but the real motive is unclear. Heinous crimes are committed, in public, right under Sherlock's nose. Can it be mere coincidence? London's newspapers are full of Holmes and Watson's exploits, but can even these be trusted?

In the meantime, any number of potential clients are coming forward to engage the services of the England's leading detectives, and they must sift the time wasters from the genuine cases.

Setting aside the ridiculous lost cat that wasn't, the engagement ring that appeared to vanish but didn't, and the break-ins which resulted in the theft of the most unlikely items, Holmes believes the real crimes are more than they appear, despite being seemingly unrelated, whilst Watson takes some convincing. Together, they must solve the puzzle before one of them pays the ultimate sacrifice.

A decent attempt at a Holmes/Watson book

By Sheri O'Neill

I'm going to be honest, I was excited when I saw the book, as I love all things Holmes, in all his different actor portrayals and incarnations.

However, Sherlock is not typically so, well, nice. There wasn't the tension between May/Irene and Sherlock that there usually is. Lestrade was such a minor character in this book and Moriarty not nearly as evil and devious. Where was the whodunnit?

That being said, the author wrote well, it read smoothly and I did enjoy it, I was just a bit let down. I wanted to be wowed. I would be willing to read another book by this author.

Thank you to the author/publisher/netgalley com for the ARC in return for an honest review.

The Game's Afoot!

By Madelon Wilson

The first thing I noticed about this book was the excellent use of the stilted English found in publications from the late nineteenth century. It is also a book that fits well within the bounds of the Holmes canon. The characters include all of the requisite persons... Holmes and Watson, Mrs. Hudson, Lestrade, Irene Adler and one or two of the Baker Street Irregulars, and, of course, Moriarity.

I am a huge fan of Sherlock Holmes... the original tales by Sir Arthur Conan Doyle, the various tv shows showing either a classic or modern day Holmes, and the newer body of work by authors today. THE MISADVENTURES OF SHERLOCK HOLMES is Victorian in setting and shows a bit of steampunk as a lady might show a bit of lace. There are no airships or fantastical steam contraptions, but there are some very interesting devices strewn about London.

Giles Chantot gives us a new look at the relationship between Holmes and Miss Adler, as well as how that relationship affects Watson. Modern authors have a rich heritage upon which to build, and when a writer makes full use of it, the result is a story that insinuates itself pretty seamlessly into the canon.

Where Conan Doyle always presented Holmes through the eyes of Watson, THE MISADVENTURES OF SHERLOCK HOLMES is totally written from Watson's point of view. In some respects, it gives a quite different view of Watson.

I highly recommend this book to anyone who enjoys a classic mystery a la Holmes and Watson.

I received a copy of this book from NetGalley for the purpose of review.

Sherlock FanFic

By Celeste

I received a free copy of this book from the publisher through NetGalley.

I have always been a huge fan of all things Sherlock, so when I saw the blurb for this book I knew I had to read it.

The story, told from Watson's point of view and with a faint steampunk vibe includes all the main characters, Adler, Moriarty and Lestrade.

Now it's been awhile since I last read the book, and maybe Benedict Cumberbatch has influenced my opinion in this, but the Sherlock in this book is too civil in this book for my liking. He's nice to everyone and is so enamored with Adler that his case solving abilities suffer which was a bit of a let down for me. The reason the original Sherlock and Adler worked so well as a couple was that Sherlock was anti social in the extreme and Adler a rogue charming enough to tempt him. Plus the whole basis of their relationship was a battle of wit and since that aspect was missing in this book I didn't enjoy it as much as I could have.

This being said I did like how all the threads of the mystery were tied together and that little twist at the end is just enough to whet the appetite for the next installment should there be one.

On the whole this was a three star read for me, a good read for anyone who likes Sherlock fan fiction with a twist and doesn't mind a departure from the original character sketches.
