TOTAL FORGIVENESS BY R. T. KENDALL PDF

R.T. Kendall has given us a treasure...the hope and possibility of experiencing incredible freedom and peace that can only come when we walk in total forgiveness. One of the core messages of the gospel is that of total forgiveness...not only that we can be totally forgiven by God, but also that we must, in turn, totally forgive others. Our culture is bound up in bitterness, resentment, and wallowing in wounds inflicted upon us by others, wounds that we all too easily accept and even cling to! This revised and updated best seller lovingly challenges believers to look within and root out those hidden and hardened places where subtle resentments and areas of un-forgiveness have been allowed to remain.

By Nathaniel Curtsinger

What a great read! Kendall gives scriptural truth to why we should all forgive. As God forgave us while we were yet sinners and he chooses not to remember our sins, we are to do the same with forgiving others. It is a process and for ourselves and our relationship with Christ. The book was convicting but in a very good way. Bitterness, anger, and resentment are not good for our physical and spiritual health. They also separate us from God's blessings. I recommend this book to all.

A great study book at any time but especially for the Lenten season. Forgiveness is divine, but it must flow not only from God to self, but continue to flow from self to others. Many of us concentrate on forgiveness from God, but neglect the forgiveness of sins against us. Kendall encourages self examination of our unforgiveness, and provides guidance along a journey toward healing that spiritual wound.

A Book of Necessity

By Amazon Customer

I read this book about 5 years ago and it literally opened my eyes and saved my marriage. I have friends who needed an eye opener so I purchased 2 books for them. It has had the same effect. I have found myself referencing this book over and over through the years and I highly recommend it for everyone.

Worth every penny

By TXGal99

I have needed this book for a long time. I decided to purchase it at full price and it is some of the best money I've ever spent! I have searched high and low on HOW to forgive and this book gave me the tools to begin my journey of forgiveness. Forgiveness for others as well as for myself. I think I highlighted and made so many notes...it would be easier just to re-read the whole book over and over again! Thank you R.T. Kendall for your stories, insights and lessons!
