TURBO TWENTY-THREE: A STEPHANIE PLUM NOVEL, BOOK 23 BY JANET EVANOVICH PDF

In the heart of Trenton, N. J., a killer is out to make sure someone gets his just desserts.

Larry Virgil skipped out on his latest court date after he was arrested for hijacking an eighteen-wheeler full of premium bourbon. Fortunately for bounty hunter Stephanie Plum, Larry is just stupid enough to attempt almost the exact same crime again. Only this time he flees the scene, leaving behind a freezer truck loaded with Bogart ice cream and a dead body-frozen solid and covered in chocolate and chopped pecans.

As fate would have it, Stephanie's mentor and occasional employer, Ranger, needs her to go undercover at the Bogart factory to find out who's putting their employees on ice and sabotaging the business. It's going to be hard for Stephanie to keep her hands off all that ice cream, and even harder for her to keep her hands off Ranger. It's also going to be hard to explain to Trenton's hottest cop, Joe Morelli, why she is spending late nights with Ranger, late nights with Lula and Randy Briggs-who are naked and afraid-and late nights keeping tabs on Grandma Mazur and her new fella. Stephanie Plum has a lot on her plate, but for a girl who claims to have "virtually no marketable skills," these are the kinds of sweet assignments she does best.

Not her best

By Kindle Customer

I was a bit dIsappointed with this one. I have read all the Stephanie Plum series and loved them all. My favorite character is Grandma Mazur, she is not a huge part of this story and I was more than dIsappointed, the wasn't a lot of Stephanie's bumbling and accidental captures as in the other books. This book fell short of what had been delivered in the previous books.

Plum Repeats Her Storyline Once Again

By A. Bradley

Save your money and reread one of the earlier Plum books - this is just a redo of the last 10 + books in the series. Sorry but only the scenery changes, same plot line, same men story line etc. The idea is she is a college grad with no usable skills, does the bounty job half way & hops back & forth between 2 men. She doesn't get ahead, she doesn't change, she is definitely NOT a good example to younger girls. Sorry, this has

been my last Evanovich book.

Make It Stop

By Dee Wilson

This will likely be my last purchase in the series. Whole chunks of text are direct from earlier books. The writing quality has continually depreciated over the last several books in the series, and I suspect they are largely being written by someone else. Not worth the time or the money. Re-read an older Plum instead, you will enjoy it more.
